

## LESSON 26

# Practical Steps to Beat Temptation

**11: Victory over Sin**

## Executive Summary

Temptation is resisted through dependence on God, not confidence in willpower. God remains faithful in every test and provides a way to endure without surrendering to sin. Believers should recognize vulnerable patterns, submit to God, answer deception with Scripture, pray, flee avoidable danger, and seek accountable help. Practical resistance begins before the moment of crisis and continues by returning quickly to Christ.
