

LESSON 01

What Should Christian Life Look Like?

1: Sin and Salvation

Executive Summary

The Christian life is a lifelong pursuit of Christ, not a religious identity shaped by the surrounding culture. Second Peter 3:18 commands believers to keep growing in the grace and knowledge of Jesus, while Philippians 3:8-11 shows a heart that values knowing Christ above every competing gain. Spiritual maturity develops as Scripture reshapes what we believe, love, reject, and practice.
