

## LESSON 04

# What Repentance Actually Means

## 1: Sin and Salvation

### Executive Summary

To receive God's salvation, we must respond in repentance and faith. Repentance is not merely feeling sorry for sin — it means to change one's mind and direction, a decisive turning from sin toward God. It goes hand-in-hand with trusting Christ alone to save us, and without it there is no forgiveness.

### Key Terms

|                   |                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Repentance</b> | A Spirit-enabled change of mind and direction: turning from sin and toward God with faith-filled obedience. |
| <b>Faith</b>      | Trusting God's Word and relying on Christ rather than self, merit, feeling, or religious performance.       |
| <b>Confession</b> | Openly agreeing with God about sin and truth, including acknowledging Jesus Christ as Lord.                 |
| <b>Conversion</b> | God's saving work in which a sinner turns from sin to Christ through repentance and faith.                  |
