

LESSON 05

The Life-Changing Gift of Eternal Life

2: Eternal Security

Executive Summary

Many believers struggle with the assurance of their salvation. But Scripture teaches that salvation is entirely God's work — He initiated it, He sustains it, and He completes it. Eternal life means exactly that: life that never ends, held doubly secure in the hand of the Son and the hand of the Father.

Key Terms

Eternal Life	The life God gives in Christ; not temporary religious improvement, but secure life with Him that cannot be exhausted.
Assurance	Settled confidence in God's saving work, grounded in His promises rather than the believer's changing feelings.
Preservation	God's faithful work of keeping every true believer secure in Christ through to final salvation.
Sealing	The Spirit's mark of God's ownership and His guarantee that the believer's inheritance is secure.
