

LESSON 12

3 Ways Your Life Should Change After Meeting

Jesus

4: Jesus Christ

Executive Summary

Knowing Christ should transform every part of our lives. Scripture calls us to three responses: faith and repentance (receiving His gift), worship and obedience (submitting to His lordship), and proclamation and discipleship (representing Him as ambassadors in the world). He is not just Savior — He is Lord.

Key Terms

Repentance	A Spirit-enabled change of mind and direction: turning from sin and toward God with faith-filled obedience.
Lordship	The rightful authority of Jesus Christ over every part of the believer's life.
Obedience	A willing response to God's authority that puts His commands into practice through faith.
Discipleship	The lifelong process of following Christ, learning His Word, obeying His commands, and helping others do the same.

Acts 2:38 | Colossians 3:17 | Philippians 2:10-11 | Matthew 28:18-20
