

## LESSON 16

# Does Baptism Save You? The Truth from Scripture

## 6: Baptism

### Executive Summary

The Greek word baptizo means "to immerse" — a symbolic act representing the believer's union with Christ's death, burial, and resurrection. But baptism does not save. Salvation is by grace through faith alone. Baptism is a public testimony of a salvation already received, not a means of earning it.

### Key Terms

|                          |                                                                                                                      |
|--------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Baptism</b>           | The public sign of identification with Christ and His people, pointing to union with Him in death and resurrection.  |
| <b>Salvation</b>         | God's gracious rescue of sinners through the finished work of Christ, received by faith rather than earned by works. |
| <b>Grace</b>             | God's unearned favor toward sinners, shown supremely in Christ and active in the believer's growth.                  |
| <b>Union with Christ</b> | The believer's spiritual participation in Christ's death, resurrection, life, and righteousness through faith.       |
