

## LESSON 25

# How You Can Have Victory Over Sin

## 11: Victory over Sin

### Executive Summary

Victory over sin begins with the believer's union with Christ. Because Christians have died and risen with Him, sin is no longer their master, even though temptation remains real. Romans 6 calls believers to count themselves alive to God, refuse sin's rule, and present themselves to God for righteousness. Progress depends on the Spirit's power and repeated, faith-filled obedience.
